

2022 Bozeman Goaltender Hockey Camp

4 great days!
Monday through Thursday
March 14-17

- Ages 9 to adult
- Full Day program

Goalie Academy Camp ... A goaltender development camp

Back in 2009 Aaron Kinslow organized his 1st goaltender camp in Salt Lake City, UT. In between then and now, Aaron and his staff have worked to develop goalies in this specialized position. These camps have now grown outside of the Fargo-Moorhead area. The question is simple, why not attend a development camp that is designed to advance the skill in the goaltender position. This same mindset has helped assist Aaron in working for Junior A Tier 1, Tier 2, & Tier 3 teams, WHL teams and Collegiate teams during his 20 years of coaching experience.

About the Staff

This hand selected experienced staff was put together to provide the best quality of instruction and guidance. I guarantee that our staff will be more than just coaches or players ... they will be teachers!

Hanna Shultz grew up in Prior Lake, MN where she played youth and High School hockey for the Prior Lake Lakers. Unfortunately, her goalie career ended with High School hockey after a career ending back injury. Although her days of playing were cut short, her love of the game did not diminish. Thus began Hanna's coaching career, she started coaching in the cities under a goalie coach by the name of David Cole. When she left for college to pursue a bachelor's degree in nursing at Minnesota State University Moorhead, she continued to coach goalies within the Moorhead Youth Hockey Association. Currently, she is finishing up her bachelor's in nursing where she will then start her Doctorate in Anesthesia. She is coaching high school goalies with the Fargo Girls Davies team. In addition to coaching youth hockey in the surrounding associations, around Fargo, ND through the Goalie Academy.

Drew Luhning has been playing hockey for many years, starting in Wadena, MN. He knew goalie was the position for him, because the gear was cool. He later on moved to Fergus Falls and stayed until he graduated from High School. Drew tied a school record for number of wins in a high school career and also made the All Section and All Conference teams his senior year. After high school he tried out for a few junior teams and also started a landscaping business. In 2016 he started goalie coaching and realized the impact he can have on young goalies development. Drew has worked with Stauber's goalcrease, Goalies Inc., Pro-hybrid, the Goalie Academy, and Dave Peterson's top 25 camp. All these programs have taught him many key aspects on how to play this position and to have success consistently at this position. Coaching goalies is his passion and he does not just coach how he played. Drew coaches based upon the newest knowledge of goaltending. He feels he is constantly learning more and more. This is one of the most evolving positions in any sport. Drew feels very fortunate to coach as much as he has at the age of 21. At the end of the day there is no wrong way to stop a puck, however, he wants to instill consistency, control, and confidence with all the goalies he coaches so they can dominate the blue paint during games.

Trevor Lowney grew up playing hockey in the surrounding area of South Range, MI and graduating from Jeffers High School. After graduating high school he played for the Williston State Tetons ACHA team and then after graduation from Williston. Trevor then played for the Portage Lake Pioneers in the GLHL. While in high school he ran goalie coaching for the local youth hockey program on-ice and off-ice. Since graduation he has been working with the Goalies, Inc. program doing development camps all over the nation.

Aaron Kinslow has been coaching goalies since 2002 at all levels from the Crookston Youth hockey association, West Fargo Youth Hockey Association, Fargo Youth Hockey Association, Mitch Korn's goalie camps, Junior and College Hockey Exposure Showcase, Salt Lake City Goalie Academy, Angels Hockey Association, Northwest Regulators AAA and Milwaukee Jr Admirals AAA, Fargo-Moorhead Jets and Bismarck Bobcats of the NAHL, Salt Lake City Moose of the WSHL, Milwaukee School Of Engineering and University of Minnesota, Crookston DIII teams. His playing career started in Moorhead, MN playing for MYHA and High school hockey on up to MJHL Tier III for the Minnesota Ice Hawks to the Dubuque Fighting Saints of the USHL and then at University of Minnesota, Crookston DIII. He currently resides in Moorhead with his wife and son. He is the founder/owner of the Goalie Academy.

About the goaltender development camp

Objective

Being a goalie is more than just getting in the way of pucks. It requires a great foundation of athletic skills needed to play this position. These skills are having a strong base of skating and then understanding key concepts in executing full and half butterfly saves, glove and blocker saves, and being able to recover to a proper stance. Then is the understanding of positioning, angles, rebound control, and stick handling. Lastly to learn is game situations such as behind the net situations, breakaways, screens, tips, deflections, puck tracking, and competing. While playing this position mental toughness is also a big part of learning how to handle adversities that come across our paths on the ice and off the ice. This is what you will learn in a 4 day event. I want to illustrate the importance that these skills are needed to be practiced repeatedly on your own in order to be the best version of yourself.

Aaron's Philosophy

There is no substitute for having a great attitude and to provide a willing effort. Aaron pushes every goalie very hard and also knows that playing this position; this sport is about having fun. The goalies from beginners to experienced, I strive for all them to form camaraderie among all to create a family experience.

The camps format

In order to achieve the objectives in the camp, goalies will have 3.5 hours daily and 1 hour of off-ice activities. Repetition in the drills will help reinforce the skills needed to develop those skills of the day.

On-ice portion of the camp

The Ice time is divided into 2 sessions. The 1st ice session is to instruct the skating skills needed. The 2nd ice session is where we will cover the topics of the day in shooting stations with experienced shooters. Training tools on site are screen boards, deflection ramps, pro-angle, focus enhancers, head tracking leash, and white pucks.

Date: March 14th - March 17th, 2022

Location: Gallatin Ice - 901 North Black Ave. Bozeman, Montana 59715

Schedule: A detailed schedule will be provided approximately 30 days prior to the camp

Off-ice portion of the camp

The goalies will have 1 daily off-ice session which includes yoga (flexibility and core strength), agility and strength training, hand-eye reflex development, and a classroom session that will cover mental strength development and much more!

Ages, structure, & enrollment

We accept ages 9 to adult, with the goalies grouped in “teams” by their ability. All ice work is done as an individual, with a partner, or in a station of 3. What you do is important, not what the goalies do next to you. Enrollment is limited and is first come, first served. **Ages are as of December 31, 2022.**
